

I have enjoyed listening to K-Love for 18 months. I no longer listen to any other radio station. I do not have to worry about the content of the music played or comments made on this station. The message being sent by K-LOVE is positive and encouraging. K-LOVE reaches the hurting and the lonely. If K-LOVE was replaced by an LPFM broadcaster, the hope that is given by K-LOVE would be lost. Please consider my comments when making a decision of LPFM vs. FM translators.
